October's meeting will be Dave Hardy from Buck's Turners on bowl turning. Dave is well known for his turnings of castles and has agreed to come spend the day with our club. He will demonstrate bowl turning from log to finish, prepping a bowl, how to store it til dry, turning one that was stored, and sharpening. In the afternoon there will be a hands on session. Bring any tools you have for bowl turning if you would like to participate in the hands on session. You are more than welcome to just watch too. If members with mini-lathes are willing to bring theirs along, please call Dave Barkby at 292-0173 and let him know. Maybe we could set them up on Saturday or before so everything is ready for Sunday. This is a great opportunity to get hands on experience on bowl turning. For those of you who attended the Stewart King demo at Jerry's, Dave Hardy was the gentleman who hosted Stewart during his stay in the U.S. Lunch will be provided -cold cuts for \$2.00.

Lonny Seitz still has Anchor Seal if anyone needs any. He can be reached at 292-2129.

Membership renewal forms for 2001 are included with this newsletter. They are not due back to me until the end of the year. My mail server for e-mail was not working so I just mailed all the newsletters and included the renewal forms so I wouldn't need to do it again.
