## SOUTH CENTRAL PA WOODTURNERS

CHAPTER OF THE AAW  
FEBRUARY 2001

### Meeting Announcements:

**Date:** February 6, 2001

**Time:** 6:30 p.m.

**Place:** Emigsville Boy Scout building

**Directions:** Going north on 83, take exit 10 (George St.). Go north on N. George St. til you go thru the *flashing* yellow light. Soon after that turn right at the next signal light and turn right again between the tennis courts and ball field prior to the railroad bridge.

Going south on 83 take exit 11 and turn left at the light at end of ramp. Go past Preston Trucking to the signal light and turn right. The Emigsville Mansion will be on your right (right before the signal light in Emigsville) Turn left at the light and turn right between the tennis courts and ball field prior to the railroad bridge.

This month's meeting will be on augmenting your woodturnings by means of carving tools. Everyone is asked to bring any tools for carving that they may have. Also bring wood samples to practice techniques on, as this will be a hands on night with everyone participating and trying out different tools. Dave and I will be bringing an air powered high-speed carver with various bits, a dreme! (bring yours too if you have one-the more the merrier!), and a few hand tools just as examples of what you can bring.

Don't forget to bring stuff for the show and tell table-wood carvers here is a good chance to show what different carving tools do.
