PLEASE NOTE THE DATE OF THIS MONTH'S MEETING-IT IS THE 2nd TUESDAY INSTEAD OF THE 1st DUE TO A SCHEDULE CONFLICT WITH DAVE.

This month's meeting will be hands on of hollowing. If you have time to prep a piece so it is ready to be hollowed as close to the meeting as possible and keep it bagged so it does not dry too much please do so. It will need to have a tenon to fit in a four-jaw chuck. Please bring any hollowing tools you may have. Dave will also have some pieces prepped for the meeting for people to work on. We will have 2 full-sized lathes-Oneway and General and also some mini-lathes. If you want to try your hand at hollowing now's your chance to give it a try.

Last month's show and tell table was wonderful. We had a wonderful assortment of turnings and some woodworking that wasn't turned too. Don't forget to bring some more to this month's meeting.

I have included the updated membership list for those who get this by snail mail and an attachment for those receiving e-mail. Let me know if you have any problems opening it. You will probably have to do some fine-tuning on the formatting.
